Course Description

The nationally accredited Certificate IV in Building Construction (Building) will give you the skills you to own and operate a licensed building enterprise. Designed for aspiring builders and construction managers, you will take your building expertise further and graduate with an industry-relevant qualification in this booming industry.

LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Prepare construction contracts
- Manage small business finances
- Risk manage projects
- Apply project quality management
- Lead effective workplace relationships
- Apply building science principles to construct energy efficient and sustainable structures

DEVELOP YOUR TALENT

Develop the qualities you need to get ahead in this field, including:

- Planning and organisation
- Great communication skills
- Problem solving and attention to detail

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate IV level
- Eligibility to apply for a Builders Licence (if you meet additional requirements)
- A pathway to owning and operating a licensed building enterprise

Career outcomes and job roles:

- Builder
- Construction manager
- Project manager
- Site foreman

GROW YOUR CAREER

Build on strong foundations with a TAFE NSW study pathway:

- Diploma of Building Construction (Building)

INDUSTRY DEMAND

Building and construction skills continue to be in high demand; with employment in New South Wales forecast to increase to approximately 15,040 jobs to 2024/25.

As population growth drives employment in the residential construction sector, in both new dwellings and renovations, the Certificate IV in Building and Construction (Building) will give you what you need to meet demand.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate IV in Building and Construction (Building) as either a traineeship or non-traineeship, so you can construct the career you want.

Non-traineeship

There are no entry requirements for non-trainees. You can enrol in this course now.

Traineeship

To be eligible for this course you must:

- Be employed in the building and construction industry as this course is delivered in the workplace
- Have a signed traineeship contract

Thinking about a traineeship? Enquire today.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- The ability to communicate effectively
- Problem solving skills and attention to detail
- Planning and organisational skills to coordinate construction
- Good math and computer skills
- Commitment to completing the training participation requirements

We strongly recommend that you have current and significant industry experience before embarking on this course which will ensure your skills and knowledge meet course requirements.

If you need help preparing for study, contact us about your options.

LICENSING REQUIREMENTS

It is important to know that to be eligible to apply for your NSW Builders Licence, you must have completed a trade certificate in the Certificate III in Carpentry or Certificate III in Bricklaying and Blocklaying, as well as the Certificate IV in Building Construction (Building).

Completion of these qualifications will lead to a builders licence with NSW Fair-trading.

Check with the relevant state and territory licensing and regulatory authorities. State and territory jurisdictions may have different regulatory requirements.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

- Students must be eligible for Smart & Skilled and be able to provide a photocopy one of the following: birth certificate, citizenship papers, or passport that shows you are either: an Australian citizen, Australian permanent resident, a humanitarian visa holder or a New Zealand citizen. Students must also provide a photocopy of the transcript of units completed in their trade.

Information Sessions and more about the course

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course

STUDY COMMITMENT

This is a Full Time course. You will need to attend approximately 20.5 hours of class, over 3 days a week, for 36 weeks. As well as the in-class component, you will need to complete approximately 4 hours of other study per week.

You may also be required to complete approximately 1 hour of additional study each week outside of class hours, including self directed learning, including research, assessment preparation, review of learning, private study.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- This training is open to learners who hold a Certificate III in Carpentry or Bricklaying or have completed the TAFE component of these or to learners who do not have a trade.

SERVICES AND STUDY SUPPORT

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled Monday, Tuesday and Wednesday from 9:30 am to 4:30 pm. This timetable may change and will be confirmed by your teacher.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
