## Course Description

The nationally accredited Certificate IV in Plumbing and Services (Operations Stream) is designed for qualified plumbers and gas fitters looking to expand their specialist skills. Build your own contracting business, become a supervisor and be eligible to apply for your plumbing, drainage and gas fitting licence.

### LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Design and size sanitary and stormwater drainage systems
- Design domestic treatment plant disposal systems
- Install gas, roof drainage systems, and hot and cold water systems
- Read and interpret plans and specifications
- Estimate and quote jobs

### DEVELOP YOUR TALENT

Develop the skills that will help you get ahead in this career, including:

- A strong work ethic

- The ability to work independently
- Ability to liaise with clients
- Excellent organisation skills
- Supervisory skills

## ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate IV level
- Eligibility to apply for your plumbing licence
- The skills and knowledge to start your own business

## Career opportunities:

- Plumbing, drainage and gas fitter contractor
- Self-employed business owner of a plumbing business

## GROW YOUR CAREER

This course qualifies you to work as a licensed supervisory plumber. There is a higher-level qualification pathway you can choose to undertake:

- Diploma of Diploma of Hydraulic Service Design

## INDUSTRY DEMAND

According to the Department of Jobs and Small Businesses, the rise of infrastructure around the state has largely benefited the plumbing occupation, as there is now an identified shortage of plumbers in metropolitan and regional NSW. The Certificate IV in Plumbing Services assists in nurturing qualified and licensed supervisors in an industry that is desperately seeking workers.

# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

## ENTRY REQUIREMENTS

To be eligible for this course, you must:

- Be employed in the plumbing industry as evidenced through your resume or employment contract
- Provide evidence that you have completed the Certificate III in Plumbing or an equivalent qualification

## Traineeship

TAFE NSW also offers the Certificate IV in Plumbing and Services (Operations Stream) as a traineeship. To be eligible to undertake this course as a trainee, you must:

- Meet the above entry requirements
- Have a signed traineeship contract

Thinking about a traineeship? Enquire today.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- The ability to read and interpret plans
- Competent Maths skills
- The ability to work deadline
- Good communication skills
- Problem-solving ability

If you need support in preparation for study, contact us about your options.

#### LICENSING REQUIREMENTS

This is a licensed occupation. When you successfully complete the Certificate IV in Plumbing (Operations Stream), you can apply for licensing with NSW Fair Trading.

NSW Fair Trading is the licensing and regulatory authority for trades and contractor authorities in NSW. Further information can be found on their website.

#### ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To successfully complete this course, you will need:

- to complete all units

## Information Sessions and more about the course

#### INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

#### STUDY COMMITMENT

This is a part time evening course. You will need to attend approximately 7.5 hours of class, over 2 evenings a week, for 18 months.

You may also be required to complete approximately 5 hours of additional study each week outside of class hours, including assignments, revision, assessment preparation, learner self-directed study and activities.

#### IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- are post trade and Certificate III in Plumbing qualified

#### SERVICES AND STUDY SUPPORT

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled for 2 days a week. An individual training plan will be provided when you enrol in this course. Your plan will outline the recommended study timetable and detail your units and assessments.

## Fee Details

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
