Course Description

This qualification reflects the role of individuals who are developing a broad range of technical and conceptual design skills and who take responsibility for own outputs in work and learning. Practice at this level is underpinned by the application of introductory design theory and history.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Fee Details

Depending on your previous qualifications and experience your fee may decrease from the maximum shown.

Payment by instalment may also be available. Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

The fee category that will apply to you depends on your eligibility and your individual circumstances.

Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

For further information about eligibility and explanations of the different fee categories, visit <https://smartandskilled.nsw.gov.au/are-you-eligible>

PAYMENT OPTIONS AND ASSISTANCE

Fees: <https://www.tafensw.edu.au/enrol/fees>

Payment - funding: <https://www.tafensw.edu.au/enrol/payment-funding>

ADDITIONAL RESOURCES

Resource will be required to successfully complete this course and will cost approximately \$500.00.

RECOGNITION

Recognition is a process of acknowledging previously completed qualifications, skills, knowledge or experience relevant to your course. This may reduce the amount of learning required, reduce your course fees and allow you to achieve your qualification faster.

Find out more about recognition: <https://www.tafensw.edu.au/enrol/recognition-credit-transfers>
