Course Description

This qualification reflects the role of individuals who are developing a broad range of technical and conceptual design skills and who take responsibility for own outputs in work and learning. Practice at this level is underpinned by the application of introductory design theory and history.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Information Sessions and more about the course

Certificate III in Design Fundamentals (Textile Design and Printing)

This is an introductory design course for the Textile Design & Printing industries and will provide a pathway into further studies in Certificate IV in Design (Textile Design & Printing). You will gain foundational skills in illustration, colour theory, design principles, fabric print design, Computer Aided Design specific for fabric print design, as well as some textile industry knowledge.

The fabric printing stream targets an important niche sector in the design industry, namely the designer, printer who develops and prints their own designs on base cloths for a variety of end uses, including the fashion and or furnishing sectors.

In addition to your classes on campus, you should expect to do at least 6 hours per week of activities which may include study, participation in in-house events, exhibitions and other required course related activities.

INFORMATION SESSION

There are no Information Sessions scheduled at this time.? Please contact campus for more information.

MORE ABOUT THIS COURSE

Did you know as a TAFE NSW student you have unlimited access to Lynda.com which is an online library of video courses in software, design, technology, communication, learning and business. These skills can help you to achieve your study goals. Visit the Student Portal to get started.

Attendance

You will need to attend approximately 18 hours of class over 3 days per week for 1 Semester. Indicative timetable: Monday, Tuesday and Wednesday 9.30 am - 4.30 pm. This schedule may be subject to change.

Fee Details

Depending on your previous qualifications and experience your fee may decrease from the maximum shown.

Payment by instalment may also be available. Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

The fee category that will apply to you depends on your eligibility and your individual circumstances. Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

For further information about eligibility and explanations of the different fee categories, visit <https://smartandskilled.nsw.gov.au/are-you-eligible>

PAYMENT OPTIONS AND ASSISTANCE

Fees: <https://www.tafensw.edu.au/enrol/fees>

Payment - funding: <https://www.tafensw.edu.au/enrol/payment-funding>

RECOGNITION

Recognition is a process of acknowledging previously completed qualifications, skills, knowledge or experience relevant to your course. This may reduce the amount of learning required, reduce your course fees and allow you to achieve your qualification faster.

Find out more about recognition: <https://www.tafensw.edu.au/enrol/recognition-credit-transfers>

How to Enrol

Enrolments will open from 14 October 2019 for our February 2020 intake.

To find out more information on this course including the next start date, submit an online enquiry by clicking the **Enquire Now** button on this page, or call 131 601 during business hours* to chat with a member of our friendly customer service team.

*Our customer service team are available from Monday to Friday, 9am to 5pm AEST.

Enrolling with us is easy, though the exact process does depend on your course and any prerequisites that go with it.

Be sure to read your chosen course information carefully to make sure it is the right qualification, location and study type for you.

Enrol and pay online via our secure payment gateway to secure your place.

As you progress through the enrolment process you will be prompted to provide additional information. If you are interested in studying as a Trainee or Apprentice please call 131 601 for full details.

Units

CUAACD301	Produce drawings to communicate ideas
BSBWHS201	Contribute to health and safety of self and others
