Course Description

This qualification reflects the role of individuals who apply a broad range of technical skills in photo imaging, including lighting, image capture, enhancements and manipulation and output. Practice at this level is predominately digital. It is underpinned by the application of integrated technical, theoretical and historical knowledge of photo imaging and the ability to develop concepts and solutions in response to a brief. Practitioners may work in a range of industry contexts, including retail, commercial, domestic portrait, media, wedding, illustrative, institutional and art photography. Licensing/Regulatory Information No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section. There are no entry requirements for this qualification.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make

sure this course is the right fit for you, we may need you to demonstrate that you can meet any additional requirements. If this section is empty, there are no additional requirements for this course.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. Register for an information session, head to www.tafensw.edu.au/infofest. Can't attend the Information Session? [Enquire Online](#) or call 131601. We have no information sessions scheduled at this time. Please contact the TAFE NSW Contact Centre on 131601 for more information.

As a condition of entry into this course we ask that all students have access to a digital camera and a computer or laptop with appropriate software required to complete the assessment events.

Your teacher will outline the software specifications within the first week of class.

If you do not have this access, the sections college computers with appropriate software are available for use during class time and between 9 am - 5 pm Monday to Friday.

The Library computers are also available to enrolled students between 8.30 am - 7 pm Monday, Tuesday and Wednesday and from 8.30 am - 6 pm on Thursday.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

Attendance

Monday, Tuesday, Wednesday 6 Hours per day from 9 am (subject to change)

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
