Course Description

This qualification reflects the role of individuals who apply a broad range of technical skills in photo imaging, including lighting, image capture, enhancements and manipulation and output. Practice at this level is predominately digital. It is underpinned by the application of integrated technical, theoretical and historical knowledge of photo imaging and the ability to develop concepts and solutions in response to a brief.

Practitioners may work in a range of industry contexts, including retail, commercial, domestic portrait, media, wedding, illustrative, institutional and art photography.

Licensing/Regulatory Information No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section

There are no entry requirements for this qualification.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make

sure this course is the right fit for you, we may need you to demonstrate that you can meet any additional requirements. If this section is empty, there are no additional requirements for this course.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. Register for an information session, head to www.tafensw.edu.au/infofest. Can't attend the Information Session? [Enquire Online](#) or call 131601

STUDY HOURS Please be aware that in addition to attending face-to-face classes, students will be required to undertake at least 20 hours per week of learning outside the classroom to complete assessment tasks. This may include online research, visiting galleries, writing reports and journals, attending exhibitions as well as photographing images for your assessments. Actual hours depend on factors such as prior experience.
