- Office assistant
- Payroll junior

INDUSTRY DEMAND

Technology is changing the role of administrators and this course provides the industry-relevant knowledge and skills to work effectively in an evolving space.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

TRAINING PACKAGE REQUIREMENTS

There are no Training Package entry requirements for this qualification.

TAFE NSW REQUIREMENTS

There are no TAFE NSW entry requirements for this qualification.

LICENSING REQUIREMENTS

No licensing, legislative or certification requirements apply to this qualification.

BE PREPARED

To be prepared for this course, it is recommended that you have:

- An interest and aptitude in working with numbers
- Basic computer skills
- Willingness to develop workplace communication skills

If you need support in preparation for study, contact us about your options.

With 130 locations across the state, TAFE NSW tailors qualifications to the needs of local students and specific cohorts (like apprentices, trainees, fast-tracked students and online students). This means you will also need to meet any entry requirements listed below.

To be enrolled in this offering, you need to be:

- A trainee (you will work in industry and study at the same time)
- employed full time or part time (traineeships will be longer if you are employed part-time)

- Signed-up with an Apprentice Network Provider and have a Training Plan Proposal

You are expected to have a Language, Literacy and Numeracy (LLN) level at ACSF Level 3 when commencing the course. This will be assessed as part of the enrolment process. TAFE NSW will provide support for your LLN needs based on this assessment. Progress through the course is monitored against your training plan so that any issues are identified and rectified in a timely manner.

Information Sessions and more about the course

This is a part time day face to face offering or could be undertaken solely in the workplace - including theory and practical components. As well as the in-class component, you should expect to do approximately 2 hours of additional study each week including online learning, independent study and assessment preparation outside of class hours.

You will also complete 300 hours of workplace experience over the period of your Traineeship. During this on-the-job learning, you will put the skills learned at TAFE into a live environment providing a hands-on approach to honing your skills for particular jobs, roles and functions within your workplace organisation.

GET PREPARED FOR SUCCESS

TAFE NSW provides a range of services to ensure a supported and successful learning environment for all students. Detailed information on support services is available at [Student Services](#).

The following additional support is also available to you:

- LLN support
