Course Description

This qualification provides the skills and knowledge for individuals to safely perform foundation digital literacy tasks using a personal computer and a range of software applications and digital devices. Licensing/Regulatory Information: No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section

There are no entry requirements for this qualification

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we may need you to demonstrate that you can meet any additional requirements. If this section is empty, there are no additional requirements for this course.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. Register for an information session, head to www.tafensw.edu.au/infofest. Can't attend the Information Session? [Enquire Online](#) or call 131601

ICT10115 Certificate I in Information, Digital Media and Technology, introduces students to the world of computers and the internet. This is a course for beginners and will provide students with basic computer skills in word processing, internet, powerpoint and use digital devices such as tablets and mobile phones. To complete this course within the given timeframes all learners will be required to work through a pre-planned schedule. You may be required to complete some work at home to ensure you achieve your qualification. Your teacher will provide you with a training plan/timetable on the first day of class. All essential information regarding the course including timetable and a training plan will be provided during the orientation session by a teacher delivering the course. The orientation session is completed on the first attendance day of the course.

Studying at a TAFE NSW Connected Learning Centre means that you don't have to leave your local community to get a first rate education and access elite training, teachers and support services. Connected Learning Centres are custom designed to utilise modern technologies, simulations and virtual reality experiences to offer you a wider range of choices, more accessible, practical training and flexible learning opportunities. Students can access work booths, group learning rooms, a computer hub, print shop, tech-bar, media lounge, and learning support centre and a creative space to work on ideas for the future.

Our Connected Learning Centres will equip you with the skills you need for the jobs you want - in regional NSW, or anywhere in the world. If you would like to explore your local Connected Learning Centre, please visit www.tafensw.edu.au/clc

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

Attendance

Attendance is at TAFE NSW Glen Innes, Connected Learning Centre, 65 Grey Street. Classes will be held every Tuesday, from 9 am to 12 pm for one semester.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
