## Course Description

This qualification provides the skills and knowledge for individuals to safely perform foundation digital literacy tasks using a personal computer and a range of software applications and digital devices.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

## Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no entry requirements for this qualification

### ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional

requirements below.

To successfully complete this course, you will need:

- Access to a computer or laptop, provided on campus.

You may also need a notebook, pen, paper and USB drive for saving work.

## Information Sessions and more about the course

To register for an information session, head to [tafensw.edu.au/infofest](https://tafensw.edu.au/infofest). Students who cannot attend the Information Session please make an online enquiry or contact us on 131 601 for more information about the course!

### INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

### STUDY COMMITMENT

This is a part time face to face course. You will need to attend approximately 6 hours of class, over 1 day per week, for 18 weeks. As well as the in-class component, you will need to complete approximately 4.3 hours of other study per week.

You may also be required to complete approximately 5.4 hours of additional study each week outside of class hours, including workbooks, online content, prescribed readings and activities as required.

Studying at a TAFE NSW Connected Learning Centre means that you don't have to leave your local community to get a first rate education and access elite training, teachers and support services.

Connected Learning Centres are custom designed to utilise modern technologies, simulations and virtual reality experiences to offer you a wider range of choices, more accessible, practical training and flexible learning opportunities. Students can access work booths, group learning rooms, a computer hub, print shop, tech-bar, media lounge, and learning support centre and a creative space to work on ideas for the future.

Our Connected Learning Centres will equip you with the skills you need for the jobs you want - in regional NSW, or anywhere in the world. If you would like to explore your local [Connected Learning Centre](#)

### IS THIS COURSE RIGHT FOR YOU?

This qualification is directed at those individuals who are wanting to develop the skills and knowledge to safely perform foundation digital literacy tasks using a personal computer and a range of software applications and digital devices.

This qualification has been designed to target job seekers and any person required to use basic computer skills as part of their employment, studies or those wishing to start a career in Information Technology.

### SERVICES AND STUDY SUPPORT

There are additional learning and study tools available for this course, including:

- Studiosity online access to a real life tutor
- Easy computing online short courses
- Library resources

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID-19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled at TAFE NSW Tenterfield, Connected Learning Centre on Wednesday from 9.00am to 1.00pm. This timetable may change and will be confirmed by your teacher.

## Fee Details

This is a fully government-subsidised [JobTrainer](#) course. Eligibility criteria applies.

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
