Course Description

This qualification provides the skills and knowledge for an individual to be competent in a wide range of general information and communications technology (ICT) technical functions and to achieve a degree of self-sufficiency as an advanced ICT user.

Persons working at this level will support information technology activities in the workplace across a wide range of ICT areas, including: ** technical support, ** network administration, ** web technologies, ** software applications and ** digital media technologies.

Licensing/Regulatory Information No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section

There are no formal Training Package entry requirements for this course.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we may need you to demonstrate that you can meet any

additional requirements. If this section is empty, there are no additional requirements for this course.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. Register for an information session, head to www.tafensw.edu.au/infofest. Can't attend the Information Session? [Enquire Online](#) or call 131601. Please make an **online enquiry** or contact us on **131 601** for more information about the course. This qualification has become superseded across Australia and an updated version will soon be available. This means that we may continue to deliver the old qualification for 12 months from the date of change. Students enrolling must complete the qualification by the transition date or will be transitioned to the new qualification. Transitioning to a new qualification will not result in financial penalty. Further information will be provided during the time of your enrolment. To talk about transition dates or for help to identify the right course for you, please contact us on **131 601**.

A message for young people under 17 years of age: If you are under 17 years and wish to enrol you will need to have completed Year 10, or have special permission from school and TAFE to do so.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

Attendance

Classes are scheduled to run 4 days per week, from 9.00am to 3.00pm. Expectation of approximately 15 hours per week of out of TAFE hours for online units and unstructured learning be undertaken with further information to be advised.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

A range of criteria apply for course fees and to access government subsidised training.

Remember, TAFE NSW provides a range of easy and flexible payment options for students or a nominated third party. (If a nominated third party is covering the cost of your fees, a letter of authority or purchase order will be required).

Use the Calculate Your Fee button for your indicative course fee and to check if you qualify for government subsidised training, including an exemption or concession.

When your enrolment is complete, and you have paid the applicable fees, you will be entitled to attend

class, participate in training, sit for examinations, receive educational awards, use amenities and services and receive an active TAFEcard (which provides access to library resources). In addition to your course fee, there may be some additional charges to cover the costs of undertaking this training.

Costs associated with work experience and field trips such as food, transport and accommodation are at the students own expense.
