## Course Description

According to Job Outlook, ICT Support Technicians are in high demand. If you are a tech-head, enjoy helping people and want a skillset that is sought-after in multiple industries, then the nationally recognised Certificate III in Information, Digital Media and Technology is for you. Learn to administer networks and support websites to keep the digital engine of your organisation humming.

This is a fully government subsidised JobTrainer course. Eligibility criteria applies.

### LEARN NEW SKILLS

Through theory and practical course work, you will learn how to:

- Work and communicate effectively in an ICT environment
- Install and optimise operating system software
- Troubleshoot ICT problems
- Create user documentation
- Use application software packages

- Participate in Workplace Health and Safety (WHS) processes

## DEVELOP YOUR TALENT

Develop the qualities you need:

- Confidence dealing with people in a business environment
- Expert at problem-solving
- Manage competing tasks and priorities

## ACHIEVE YOUR GOALS

You will earn:

- A nationally recognised qualification at certificate III level
- Knowledge of office software and business technology
- Skills that can be used in any industry

## GROW YOUR CAREER

Expand your career and specialise your digital knowledge through TAFE NSW:

- Certificate IV in Information Technology
- Certificate IV in Support
- Certificate IV in Web-Based Technologies
- Certificate IV in Networking
- Certificate IV in Programming
- Certificate IV in Cyber Security

## INDUSTRY DEMAND

This qualification is on the NSW Skills List - which means that there is a demand for these skills - and prepares students for entry level jobs as an ICT Helpdesk or Support Technician. According to Job Outlook, there are likely to be around 62,000 job openings for ICT Support Technicians over 5 years (that is about 12,400 a year).

# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

## ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Information, Digital Media and Technology as either a traineeship or non-traineeship, so you can construct the career you want.

### Non-traineeship

There are no entry requirements for non-trainees. You can enrol in this course now.

### Traineeship

To be eligible for this course you must:

- Be employed in the IT industry as this course is delivered in the workplace
- Have a signed traineeship contract

Thinking about a traineeship? Enquire today.  
IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- Basic computer experience including Microsoft Office
- Basic communication skills

If you need help preparing for study, contact us about your options.

## ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you have:

- access to a computer, flash drive (USB) and the internet to complete learning activities and assessments

To successfully complete this course, you will need:

- Language, Literacy and Numeracy (LLN) skills as defined in the Australian Core Skills Framework (ACSF). If you haven't studied at this level or above before, you may be required to undertake an assessment of your LLN skills so that we can better understand your academic capabilities and identify areas where you may need support. If you do not meet these requirements a Teacher will discuss alternative options or support services available to help you achieve your study goals.

## Information Sessions and more about the course

To register for an information session, head to [tafensw.edu.au/infofest](https://tafensw.edu.au/infofest). Students who cannot attend the Information Session please make an online enquiry or contact us on 131 601 for more information about the course!

### INFORMATION SESSIONS

Welcome to ICT - Information and Communications Technology at TAFE NSW Miller.

Information Session dates for courses offered at Miller Campus, Building G, Ground Floor

Tue 8th December 2020 9:30am - 3:00pm

Wed 20th January 2021 9:30am - 3:00pm

### STUDY COMMITMENT

This is a full-time, blended delivery course. You will need to attend approximately 30 hours of class, over 3 days a week, for 18 weeks.

You may also be required to complete approximately 3 hours of additional study each week outside of class hours, including private study, research and assignments preparation.

IS THIS COURSE RIGHT FOR YOU?

This group of students is predominantly made up of school leavers who have digital literacy skills that they have acquired through their study at school and their life experience. They would at a minimum have completed the equivalent of Year 10 and undertaken technology related activities during their school study. Students who have exited school without exposure to technology skills or who require more support would be offered a Certificate II level qualification. The students are comfortable working with computers in general, and more specifically with operating systems, software applications and digital documents. They use the Internet in their day-to-day activities and are able to use search engines for research.

## SERVICES AND STUDY SUPPORT

There are additional learning and study tools available for this course, including:

- timetabled tutorial support from the teaching team will be available throughout the course.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID-19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Mondays, Tuesdays and Wednesdays from 9:00am to 4:00pm. This timetable may change and will be confirmed by your teacher.

## Fee Details

This is a fully government-subsidised [JobTrainer](#) course. Eligibility criteria applies.

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

An initial payment of \$80 is required to confirm your enrolment into this course. If you do not wish to continue with your enrolment, you must formally advise Customer Service of your withdrawal. If you do not withdraw prior to the first date of the course, this initial payment is non-refundable.

If you have any further questions, please contact us on 13 79 74.

## READ BEFORE YOU ENROL

Learn about TAFE NSW [Fees](#)
