- Certificate IV in Networking
- Certificate IV in Programming
- Certificate IV in Cyber Security

## INDUSTRY DEMAND

This qualification is on the NSW Skills List - which means that there is a demand for these skills - and prepares students for entry level jobs as an ICT Helpdesk or Support Technician. According to Job Outlook, there are likely to be around 62,000 job openings for ICT Support Technicians over 5 years (that is about 12,400 a year).

# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

## ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Information, Digital Media and Technology as either a traineeship or non-traineeship, so you can construct the career you want.

### Non-traineeship

There are no entry requirements for non-trainees. You can enrol in this course now.

### Traineeship

To be eligible for this course you must:

- Be employed in the IT industry as this course is delivered in the workplace
- Have a signed traineeship contract

Thinking about a traineeship? Enquire today.

## IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- Basic computer experience including Microsoft Office
- Basic communication skills

If you need help preparing for study, contact us about your options.

## ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To successfully complete this course, you will need:

- Attend class as timetabled. Have access to a desktop or laptop computer to study and complete exercises. Able to communicate using email applications on computers as well as mobile phones. Students will require access to a computer, flash drive (USB) and the internet to complete learning activities and assessments.

# Information Sessions and more about the course

You may also be required to complete approximately 20 hours of additional study each week outside of class hours, including private study, online research, assignment preparation.

## IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- Are new entrants to ICT industry or School leavers.

## MORE ABOUT THIS COURSE

There is a new version of this course coming soon. If it is available before you complete your studies, you will be notified of your options and may be transferred to the new course.

## SERVICES AND STUDY SUPPORT

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID-19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Monday, Tuesday, Thursday, and Friday from 9.00am to 5.00pm. This timetable may change and will be confirmed by your teacher.

## Fee Details

This is a fully government-subsidised [JobTrainer](#) course. Eligibility criteria applies.

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

## READ BEFORE YOU ENROL

Learn about TAFE NSW [Fees](#)

Learn about TAFE NSW [Payment/Funding](#)

## RECOGNITION

Recognition is a process of acknowledging previously completed qualifications, skills, knowledge or experience relevant to your course. This may reduce the amount of learning required, reduce your course fees and allow you to achieve your qualification faster.
