## Course Description

This qualification provides the skills and knowledge for an individual to be competent to design, develop and use digital media technologies as an assistant information and communications technology (ICT) specialist working independently or as part of a larger development team  
Licensing/Regulatory Information No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section

There are no entry requirements for this qualification

### ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we may need you to demonstrate that you can meet any additional requirements. If this section is empty, there are no additional requirements for this course.

## Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. Register for an information session, head to [www.tafensw.edu.au/infofest](http://www.tafensw.edu.au/infofest). Can't attend the Information Session? [Enquire Online](#) or call 131601

You will be required to do approximately 9 hours of work such as reading and completing tasks each week.

Without prior experience, you will learn to create 2D and 3D animations, digital visual effects, author interactive media, create storyboards, edit sound and screen content, create online content, present your ideas, produce projects, and much more. You can then progress to diploma and other higher level courses.

**INFORMATION SESSION** There are no Information Sessions scheduled at this time.? Please contact campus for more information. 158-29325V01

### **MORE ABOUT THIS COURSE**

Did you know as a TAFE NSW student you have unlimited access to Lynda.com which is an online library of video courses in software, design, technology, communication, learning and business. These skills can help you to achieve your study goals. Visit the Student Portal to get started.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

## Attendance

This course is delivered completely online. Once enrolled you will have up to 36 weeks to complete the course. Study of the units in the Course is online self-paced with scheduled tutorial sessions as required.

## Fee Details

### **SMART AND SKILLED FEES**

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

### **SMART AND SKILLED FEES**

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the government will pay the balance. However, you must meet certain eligibility criteria for this to apply.
