Course Description

This qualification provides the skills and knowledge for an individual to design, build and manage websites as an independent web developer or as part of a team.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no entry requirements for this qualification.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you have:

- completion of course: Certificate IV in Web-Based Technology. It is strongly recommended that you have the required level-4 competency skills and knowledge in HTML, CSS, PHOTOSHOP, WordPress, Javascript, MySQL, PHP.

To successfully complete this course, you will need:

Have daily access to required hardware and software:
- A computer with the minimum of Intel i3, 4GB Memory, 1TB hard drive, etc.
- Windows 10 Operating System.
  Be an independent learner: able and willing to browse, research and learn online.

Information Sessions and more about the course

To register for an information session, head to tafensw.edu.au/infofest. Students who cannot attend the Information Session please make an online enquiry or contact us on 131 601 for more information about the course!

The timetable is indicative and subject to change. Due to Covid-19, learners may also be required to attend an evening and / or Saturday sessions.

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course

STUDY COMMITMENT

This is a full time blended course. You will need to attend approximately 20.5 hours of class, over 4 days a week, for 17 weeks. As well as the in-class component, you will need to complete approximately 1 hour of other study per week.

You may also be required to complete approximately 21 hours of additional study each week outside of class hours, including private study, online research, assignment preparation.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:
- Participants in this programme are a mixture of learners who may have completed an ICT Certificate IV in Web-Based Technologies or Software development or part qualification and those from diverse backgrounds that have met the entry requirements through recognition of previous studies, work experience, life experience or a combination of them all. The learner body will represent a wide variety of age groups and ethnicities generally. Most learners have a high level of literacy and can work independently with little supervision. Allowance is made for the needs of groups (e.g. people with disabilities, and people who may have literacy or numeracy difficulties, such as speakers of languages other than English. Learners may be working full or part time in the ICT Industry and or other industries; while others may be studying to enter the industry.

SERVICES AND STUDY SUPPORT

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE

NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:
- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID-19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Monday, Wednesday, Thursday and Friday 9:00am to 5:00pm. This timetable may change and will be confirmed by your teacher.

Fee Details

This is a fully government-subsidised [JobTrainer](#) course. Eligibility criteria applies.

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

PAYMENT OPTIONS AND ASSISTANCE

This course is approved for a Commonwealth VET Student Loan (VSL). If you meet the VSL eligibility and academic suitability requirements, you are able to apply to the Commonwealth for a loan to cover all or part of your course fee. We will ask you whether you would like to apply for a VET Student Loan when you enrol and advise you of the process.

To complete your VET Student Loan application, you will need to provide:

- Your Tax File Number (TFN). If you dont have a TFN, [click here](#) for information on how to apply for one. You can complete your loan application with a Certificate of Application for a TFN, but must provide your TFN as soon as it is issued. If you dont provide your TFN before your first census day, you will need to pay the tuition fees for that unit of study.
- Your Commonwealth Higher Education Student Support Number (CHESSN). If you have previously accessed a loan via the Higher Education Loan Program (HELP), either at TAFE or university, you will already have a CHESSN. You must use the same CHESSN whenever you access a student loan. If you dont have CHESSN, we will allocate one on your behalf.

To be eligible for a VET Student Loan, you will need to be assessed as academically suitable to undertake high level VET study. You will need to provide:

- A copy of your Australian Year 12 Certificate; OR
- A copy of a certificate showing that you have been awarded a qualification at level 4 or above in the Australian Qualifications Framework (where the language of instruction was English). If you previously completed a Certificate IV or higher qualification at TAFE NSW, just let us know where and when you studied in your application; OR
- Display competence at Exit Level 3 in the Australian Core Skills Framework in both reading and numeracy through an approved Language, Literacy and Numeracy test. We will let you know if this is required once you apply.

If you intend to apply for a VET Student Loan, its important you know your [student obligations](#).

ADDITIONAL RESOURCES

You will need to provide for yourself the following resources which you will keep when you complete your study:

- indicative costs for website hosting, domain name, applications, etc. $500.

Find out more about [VET Student Loans](#)

Direct payment by Unit of Study instalments is available for this course.

The Units of Study and associated fees for this course are detailed above. Fees are charged on the census day for each Unit of Study. To secure a loan for part or all of your course, you must be eligible and submit a valid application to the Commonwealth for a VET Student Loan. You may withdraw prior to the census date without incurring a fee.
