STUDY COMMITMENT
7 Hours Per Week

How much time on average each week you will need to commit to successfully complete this course.

Hours include class attendance/participation, directed study, and any required work placements.

You may also need to do additional hours of self-directed study.

Studying with TAFE NSW

With over 25,000 industry connections*, teachers experienced in the latest industry trends plus state-of-the-art facilities, it's easy to see why TAFE NSW is Australia's largest training provider. Want even more reasons to study with us?

*TAFE NSW current employer database as of May 2017

85.9%
EMPLOYER SATISFACTION

NSW EMPLOYERS ARE VERY SATISFIED WITH THE QUALITY OF THE NATIONALLY RECOGNISED TRAINING WE DELIVER*

80%
OF GROWTH AREAS COVERED

WE OFFER TRAINING IN 80% OF THE OCCUPATIONS PREDICTED TO HAVE THE GREATEST GROWTH OVER THE NEXT 5 YEARS^

83%
GRADUATE SATISFACTION

OVERVIEW

The nationally recognised Certificate III in Engineering - Mechanical Trade is your pathway to becoming a fitting machinist, fitter and turner or CNC machinist. Get ready to join in-demand industries like mechanical engineering, oil and gas drilling, Defence Force construction and power generation.

LEARN NEW SKILLS

Through a mix of theory and practical coursework, learn to:

- Interpret technical drawings
- Operate a lathe and milling machine
- Install and align machines and equipment

DEVELOP YOUR TALENT

Develop the attributes to help you get ahead:

- Problem solving and troubleshooting skills
- Mechanical aptitude to use appropriate tools
- Communication skills to work as part of a team and understand mechanical terminology

ACHIEVE YOUR GOALS

Completing this course provides you with:

- A nationally accredited qualification at Certificate III level
- A strong pathway to continue your study and enhance your career opportunities

Career opportunities:

- Blacksmith
- Boilermaker
- Fabrication tradesperson
- Pressure welder

GROW YOUR CAREER

Take your career further with the:

- Certificate IV in Engineering
- Diploma of Engineering - Advanced Trade

ENTRY REQUIREMENTS

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Engineering - Mechanical as an apprenticeship. There may also be options available for you to study as a non-apprentice.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the mechanical trade industry as evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

Non-apprenticeship

There may be options available for you to study as a non-apprentice. Enquire today, and one of our Apprenticeship and Traineeship team will help you understand any eligibility or entry requirements that apply.

WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

If you are enrolling as a non-apprentice, you need to be in relevant employment or have access to appropriate simulated workplace environments in order to meet the course completion requirements.

You are responsible for arranging your own work placement. Our team can offer support and guidance to assist you.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, we recommend that you have:

- An ability to work in different environments, including outdoor and indoor work and confined spaces
- Completed your NSW School Certificate or equivalent level of education
- Numeracy and literacy skills at a Year 10 or equivalent level
- An ability to work different hours, including shift work and weekends

If you need help preparing for study, contact us about your options.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

- confirmation of apprenticeship

OTHER COURSE INFORMATION

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

STUDY COMMITMENT

This is a part-time day, blended delivery course. You will need to attend approximately 7 hours of class, over 1 days a week, for 3 years.

You may also be required to complete approximately 8 hours of additional study each week outside of class hours. Each learner is supplied with a workbook for the unit they are studying. Learners log into the Moodle in their unstructured learning hours to complete the missing key words, phrases/passages in the workbook as part of their assigned homework. At the beginning of each lesson, learners are given a POP Quiz on the assigned subject at the completion of the quiz the teacher will go through the answers with the class. In the workshop learners, complete practical tasks as part of their practical component of the unit assessment, teachers mark the tasks using the marking guide and record the results in the class roll book.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- currently employed as an Apprentice

MORE ABOUT THIS COURSE

There is a new version of this course coming soon. This will be available toward the end of 2021, you will be notified of your options and will be transferred to the new course.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

ATTENDANCE

The way you learn may change during your enrolment to ensure the best learning experience or to keep you safe as COVID-19 restrictions change, and some of our face to face classes may change to online or virtual classroom learning. Also, to ensure that we keep you safe while studying, we may modify our face to face classes to meet physical distancing requirements and increased cleaning on campus. If work placement and the demonstration of practical skills are requirements of your course, there may be a modification or delay in the planned timeframe due to COVID-19

impacts. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Tuesdays from 8:00am to 4:30pm. This timetable may change and will be confirmed by your teacher.

FEE DETAILS

SUBSIDISED PRICES

FIRST QUALIFICATION *
\$2,680.00

SUBSEQUENT QUALIFICATION
\$3,220.00

APPRENTICESHIP **
\$2,000.00

CONCESSION
\$240.00

NON-SUBSIDISED PRICE

FULL FEE
\$13,430.00

*If you are 35 years old or over and are looking for work you may be eligible for the mature age workers **Fee-Free** scholarship which will be verified at enrolment.

You may be eligible for the NSW Smart & Skilled **Fee-Free Apprenticeship which will be verified at enrolment

WHAT DO THESE PRICES MEAN?

First Qualification Fee

Applies to a student who does not already hold a post-school qualification from any tertiary sector (TAFE, private provider or University), and includes any vocational (certificates, Diplomas, Advanced Diplomas) and higher education (degree) qualifications achieved in Australia or overseas previously.

Subsequent Qualification Fee

Applies to a student who already holds one or more post-school qualifications from any tertiary sector (TAFE, private provider or University), and includes any vocational (certificates, Diplomas, Advanced Diplomas) and higher education (degree) qualifications achieved in Australia or overseas previously.

Apprenticeship Fee

Eligible apprentices are exempt from fees when undertaking an apprenticeship under the NSW Government's Fee Free Apprenticeship. For apprentices who are not eligible, apprenticeship qualification fees are capped at \$2,000.

For more information visit the [Fee Free Apprenticeships](#) page.

Traineeship Fee

Applies to a student undertaking a traineeship qualification under a traineeship pathway, with fees are capped at \$1,000.

For more information visit the [Apprenticeships and Traineeships](#) page.

Concession Fees

Applies to eligible disadvantaged students who receive a specified Commonwealth Government welfare benefit or allowance. Concession fees are discounted, with flat fees applied across a qualification level.

For more information on concessions and exemptions, visit the [Smart and Skilled Fee Exemption and Concessions](#) page

on the *Smart and Skilled* website.

For more information on Smart and Skilled funding, visit the [Smart and Skilled](#) page.

SMART AND SKILLED FEES

There are a range of study options for NSW Apprentices and eligible non-apprentices with relevant industry work experience in this course.

Under the NSW Government fee-free apprenticeship initiative, NSW apprentices that commence their training on or after 1 July 2018 may be eligible for fee-free training. Apprentices are required to provide evidence of their NSW apprenticeship to finalise their enrolment and applicable fees.

This course is also a TAFE NSW Trade Pathways Qualification and ideal if you have been working in this industry for an extended period of time but haven't received a qualification. To be eligible to enrol as a non-apprentice and secure funding, you must firstly meet the Smart and Skilled eligibility criteria and be:

- over 21 years of age
- able to demonstrate and provide evidence of extensive industry experience and
- able to demonstrate relevant ongoing work experience and provide workplace evidence to support the achievement of competence.

To study this course as a NSW apprentice or to check if you meet the non-apprentice requirements for NSW funding, please enquire now or call 131 601. For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

ADDITIONAL RESOURCES

Resource will be required to successfully complete this course and will cost approximately \$750.00.

HOW TO ENROL

Enrolments for this course have now closed.

[Enquire now](#) and we will contact you when enrolments open. Visit our [Online Courses](#) to view our range of study options that you can start anytime.

UNITS

UNIT CODE	UNIT DESCRIPTION
MEM05005B	Carry out mechanical cutting
MEM07005C	Perform general machining
MEM07006C	Perform lathe operations
MEM07007C	Perform milling operations
MEM07021B	Perform complex lathe operations
MEM09002B	Interpret technical drawing
MEM10006B	Install machine/plant
MEM11011B	Undertake manual handling
MEM12003B	Perform precision mechanical measurement
MEM12006C	Mark off/out (general engineering)
MEM12023A	Perform engineering measurements
MEM12024A	Perform computations
MEM13014A	Apply principles of occupational health and safety in the work environment
MEM14004A	Plan to undertake a routine task
MEM14005A	Plan a complete activity
MEM15002A	Apply quality systems
MEM15024A	Apply quality procedures
MEM16006A	Organise and communicate information
MEM16007A	Work with others in a manufacturing, engineering or related environment
MEM16008A	Interact with computing technology
MEM17003A	Assist in the provision of on the job training

MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
MEM18003C	Use tools for precision work
MEM18005B	Perform fault diagnosis, installation and removal of bearings
MEM18006C	Repair and fit engineering components
MEM18007B	Maintain and repair mechanical drives and mechanical transmission assemblies
MEM18009B	Perform levelling and alignment of machines and engineering components
MEM18011C	Shut down and isolate machines/equipment
MEM18018C	Maintain pneumatic system components
MEM18020B	Maintain hydraulic system components
MEM18055B	Dismantle, replace and assemble engineering components
MSAENV272B	Participate in environmentally sustainable work practices

CAREER OPPORTUNITIES

Mechanical tradesperson (traditionally referred to as Fitting and Machining Tradesperson) at level C10 under the Metal, Engineering and Associated Industries Award.
