# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

TAFE NSW offers the Certificate III in Cabinet Making (Kitchens and Bathrooms) as either an apprenticeship or non-apprenticeship, so you can build the career you want.

### Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the cabinet making (kitchens and bathrooms) industry evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

### Non-apprenticeship

To be eligible for a subsidised place in this course as a non-apprentice, you must:

- Be over 21 years of age
- Provide evidence, such as a resume or letter of support from your employer, of significant and current industry experience. Your workplace evidence will be reviewed prior to course entry to make sure your skills and knowledge meet course requirements

If there are gaps in your industry experience, you will need to complete simulated work activities to ensure you are able to meet work evidence requirements.

### COURSE SUCCESS REQUIREMENTS

During your study, you will need to meet specific requirements that are necessary for you to complete your course work and be successful.

Your teacher will let you know when you need to provide evidence of:

- A general construction induction card (commonly known as a white card) - you will need this before you can enter a construction site.

### WORK PLACEMENT

There is no work placement requirement for apprentices undertaking this qualification, as you will gain your experience on-the-job with your employer.

Non-apprentices will need to be in either relevant employment or have access to appropriate simulated workplace environments to complete the learning and assessment requirements.

You are responsible for arranging your own work placement. Our team can offer support and guidance to assist you.

### IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you:

- Completed at least year 10 of high school
- Strong spatial awareness and hand-eye coordination
- A genuine interest in cabinet making
- Good English, Maths and communication skills
- The ability to work as part of a team
- A talent for learning practical skills

If you need help preparing for study, contact us about your options.

### ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

- an apprentice (you will work in industry and study at the same time)
- employed full time
- signed up with an Apprentice Network Provider and have a Training Plan Proposal
- seeking to gain skills and knowledge to become a qualified Cabinet Maker after successful completion.
