## Course Description

The Certificate III in Cabinet Making (Kitchen and Bathroom) will see you craft a bright future as a trade qualified cabinet maker. Learn how to select timbers, use power tools, prepare surfaces, and install furniture and cabinetry for businesses and customers in private residences.

### LEARN NEW SKILLS

Through theory and practical course-work, you will learn to:

- Communicate and work in teams
- Read and interpret work documents
- Select timbers and materials
- Use hand and power tools
- Use static and CNC machines
- Use manual and computer aided drawing (CAD)
- Prepare and apply decorative surfaces for furniture
- Install furniture and cabinetry
- Use environmentally sustainable practices

## DEVELOP YOUR TALENT

Develop the personal qualities and skills you need to get ahead in this field:

- Communication skills to connect with clients
- Customer service, collaboration and consultation skills
- Problem solving strategies
- Attention to detail

## ACHIEVE YOUR GOALS

Completing this course will equip you with:

- A nationally recognised Certificate III qualification
- A trade as a qualified Cabinet Maker (Kitchen and Bathroom)
- The confidence to become a sole trader and start your own small business

### Career outcomes and job roles:

- Furniture maker
- Cabinetmaker

## GROW YOUR CAREER

Take your trade to the next level:

- Statement of Attainment in Kitchen and Bathroom Installer Licence - be eligible to apply for your contractor licence or qualified supervisor certificate through Fair Trading NSW

## INDUSTRY DEMAND

Activity in the building construction industry drives demand for cabinetmakers. The skills shortage of qualified cabinetmakers right across NSW was identified in 2014 and continues through to today.

# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

TAFE NSW offers the Certificate III in Cabinet Making (Kitchens and Bathrooms) as either an apprenticeship or non-apprenticeship, so you can build the career you want.

### Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the cabinet making (kitchens and bathrooms) industry evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

### Non-apprenticeship

To be eligible for a subsidised place in this course as a non-apprentice, you must:

- Be over 21 years of age
- Provide evidence, such as a resume or letter of support from your employer, of significant and current industry experience. Your workplace evidence will be reviewed prior to course entry to make sure your skills and knowledge meet course requirements

If there are gaps in your industry experience, you will need to complete simulated work activities to ensure you are able to meet work evidence requirements.

### COURSE SUCCESS REQUIREMENTS

During your study, you will need to meet specific requirements that are necessary for you to complete your course work and be successful.

Your teacher will let you know when you need to provide evidence of:

- A general construction induction card (commonly known as a white card) - you will need this before you can enter a construction site.

### WORK PLACEMENT

There is no work placement requirement for apprentices undertaking this qualification, as you will gain your experience on-the-job with your employer.

Non-apprentices will need to be in either relevant employment or have access to appropriate simulated workplace environments to complete the learning and assessment requirements.

You are responsible for arranging your own work placement. Our team can offer support and guidance to assist you.

### IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you:

- Completed at least year 10 of high school
- Strong spatial awareness and hand-eye coordination
- A genuine interest in cabinet making
- Good English, Maths and communication skills
- The ability to work as part of a team
- A talent for learning practical skills

If you need help preparing for study, contact us about your options.

### ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

### COURSE ENTRY REQUIREMENTS

To be enrolled in this course, you need to be able to provide evidence that you are:

- an apprentice (you will work in industry and study at the same time)
- employed full time
- signed up with an Apprentice Network Provider and have a Training Plan Proposal
- seeking to gain skills and knowledge to become a qualified Cabinet Maker after successful completion

To successfully complete this course, you will need:

- Students enrolled in this training product are expected to have an LLN (Language, Literacy and Numeracy) level at ACSF Level 2 when commencing the course. TAFE NSW will make every reasonable effort to ensure it can accommodate a students LLN needs. Support is based on a review of the applicants LLN skills through diagnostic tools such as R U Ready and support from the CPALES Skills Teams. If deemed applicable, a meeting will be arranged to discuss the LLN assistance that TAFE NSW can provide to the student, with a view to creating an individual training and learning plan that best addresses the students needs.

## Information Sessions and more about the course

To register for an information session, head to [tafensw.edu.au/infofest](https://tafensw.edu.au/infofest). Students who cannot attend the Information Session please make an online enquiry or contact us on 131 601 for more information about the course!

### STUDY COMMITMENT

This is a Face to Face, Part Time Day course. You will need to attend approximately 34 hours of class, over 4 days a week, for Block Release Sessions.

You may also be required to complete approximately 57 hours of additional study outside of class hours.

### IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- The target learner group is for students who are engaged or planning to be engaged in the cabinet making industry in offsite construction and the on-site installation of these manufactured components. It is open for new worker, existing worker and workers requiring upskilling. It is accepted that entrants in this course should have a basic school level of Numeracy & Literacy to successfully complete studies in this course.

### SERVICES AND STUDY SUPPORT

- Educational support services are available to students requiring additional support.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

Class commences 3 February 2020. Block Release, consisting of 7 x 4 day blocks, Attendance will be Monday to Thursday, start at 8.00am finish at 4.30pm.

## Fee Details

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

## How to Enrol

Before you can start an apprenticeship, you first need to find an employer in the industry you're interested in that will support you through your studies. You and your employer should contact an Apprenticeship Network Provider (ANP) and tell them you're interested in studying at TAFE NSW. The ANP will help you and your employer to complete a Training Contract. Once you have a Training Contract, we will help you, your employer and the ANP to complete a Training Plan Proposal. Once you have both these documents, the ANP will lodge them with State Training Services, who will provide further advice about next steps.
