OVERVIEW

The nationally recognised Certificate III in Cabinet Making (Kitchen and Bathroom) will see you craft a bright future as a trade qualified cabinet maker. Develop practical skills and learn to create pieces, with a focus on kitchens and bathrooms.

LEARN NEW SKILLS

Through a mix of theory and practical coursework, learn to:

- Communicate and work in teams
- Read and interpret work documents
- Select timbers and materials
- Use hand and power tools
- Use static and CNC machines
- Use manual and computer-aided drawing (CAD)
- Prepare and apply decorative surfaces for furniture
- Install furniture and cabinetry
- Use environmentally sustainable practices

DEVELOP YOUR TALENT

Develop the attributes to help you get ahead:

- An interest in manufacturing design, principles and concepts
- A passion for timber and composite manufacturing
- A presentable appearance to work in peoples homes
- A keen eye for detail
- Creative thinking skills
- Great communicator and team player
- A safety mindset
- Strong spatial awareness and hand-eye coordination

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised Certificate III qualification
- A trade as a qualified Cabinet Maker (Kitchen and Bathroom)
- The confidence to become a sole trader and start your own small business

Career opportunities:

- Furniture maker
- Cabinetmaker

GROW YOUR CAREER

Take your career further with the:

- Certificate IV in New Small Business

ENTRY REQUIREMENTS

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Cabinet Making (Kitchen and Bathroom) as an apprenticeship. There may also be options available for you to study as a non-apprentice.

To be eligible for this course, you need to demonstrate the following:

- That you hold a valid general construction induction card (commonly known as a white card)

Apprenticeship

In addition to meeting the above requirement, apprentices must:

- Be employed as an apprentice in the cabinet making industry as evidenced by a letter of support from your employer
- Submit your Training Plan Proposal (TPP) with your application

Non-apprenticeship

There may be options for you to study as a non-apprentice. Enquire today and one of our Apprenticeship and Traineeship team will help you understand any eligibility or entry requirements.

COURSE SUCCESS REQUIREMENTS

During your study, you will need to meet specific requirements necessary for you to complete your coursework.

Your teacher will let you know when you need to provide evidence of:

- A general construction induction card (commonly known as a white card) you will need this before you can enter a construction site

WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

If you are enrolling as a non-apprentice, you need to be in relevant employment or have access to appropriate simulated workplace environments in order to meet the course completion requirements.

LICENSING REQUIREMENTS

A white card (or general construction induction card) is required for workers who require access to construction sites. Check your local regulation requirements.

Visit the [SafeWork](#) website for more information on applying for your white card.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, we recommend that you have:

- Completed at least year 10 of high school
- Strong spatial awareness and hand-eye coordination

- A genuine interest in cabinet making
- Good English, maths and communication skills
- The ability to work as part of a team

If you need help preparing for study, contact us about your options.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

- an apprentice (you will work in industry and study at the same time)
- employed full time
- signed up with an Apprentice Network Provider and have a Training Plan Proposal
- seeking to gain skills and knowledge to become a qualified Cabinetmaker after successful completion

OTHER COURSE INFORMATION

Discover the skills you need, for the job you want at a [TAFE NSW Information Session](#).

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

STUDY COMMITMENT

This is a part-time day, blended delivery course. You will need to attend approximately 5 hours of class, over 1 day a week, for two and a half years. As well as the in-class component, you will need to complete approximately 3 hours of other study per week.

You may also be required to complete approximately 25 hours of additional study each week outside of class hours, including workplace learning (as per apprentice training plan), review of structured activities, and preparation for assessments.

IS THIS COURSE RIGHT FOR YOU?

The target learner group for this course are registered apprentices undertaking the training as a requirement of their employment in the Furnishing industry. There are no pre-existing requirements for this course.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

ATTENDANCE

The way you learn may change during your enrolment to ensure the best learning experience or to keep you safe as COVID-19 restrictions change, and some of our face to face classes may change to online or virtual classroom learning. Also, to ensure that we keep you safe while studying, we may modify our face to face classes to meet physical distancing requirements and increased cleaning on campus. If work placement and the demonstration of practical skills are requirements of your course, there may be a modification or delay in the planned timeframe due to COVID-19 impacts. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled for 1 day a week. An individual training plan will be provided when you enrol in this course. Your plan will outline the recommended study timetable and detail your units and assessments.

WHAT DO THESE PRICES MEAN?

First Qualification Fee

Applies to a student who does not already hold a post-school qualification from any tertiary sector (TAFE, private provider or University), and includes any vocational (certificates, Diplomas, Advanced Diplomas) and higher education (degree) qualifications achieved in Australia or overseas previously.

Subsequent Qualification Fee

Applies to a student who already holds one or more post-school qualifications from any tertiary sector (TAFE, private provider or University), and includes any vocational (certificates, Diplomas, Advanced Diplomas) and higher education (degree) qualifications achieved in Australia or overseas previously.

Apprenticeship Fee

Eligible apprentices are exempt from fees when undertaking an apprenticeship under the NSW Government's Fee Free Apprenticeship. For apprentices who are not eligible, apprenticeship qualification fees are capped at \$2,000.

For more information visit the [Fee Free Apprenticeships](#) page.

Traineeship Fee

Applies to a student undertaking a traineeship qualification under a traineeship pathway, with fees are capped at \$1,000.

For more information visit the [Apprenticeships and Traineeships](#) page.

Concession Fees

Applies to eligible disadvantaged students who receive a specified Commonwealth Government welfare benefit or allowance. Concession fees are discounted, with flat fees applied across a qualification level.

For more information on concessions and exemptions, visit the [Smart and Skilled Fee Exemption and Concessions](#) page

on the *Smart and Skilled* website.

For more information on Smart and Skilled funding, visit the [Smart and Skilled](#) page.

SMART AND SKILLED FEES

There are a range of study options for NSW Apprentices and eligible non-apprentices with relevant industry work experience in this course.

Under the NSW Government fee-free apprenticeship initiative, NSW apprentices that commence their training on or after 1 July 2018 may be eligible for fee-free training. Apprentices are required to provide evidence of their NSW apprenticeship to finalise their enrolment and applicable fees.

This course is also a TAFE NSW Trade Pathways Qualification and ideal if you have been working in this industry for an extended period of time but haven't received a qualification. To be eligible to enrol as a non-apprentice and secure funding, you must firstly meet the Smart and Skilled eligibility criteria and be:

- over 21 years of age
- able to demonstrate and provide evidence of extensive industry experience and
- able to demonstrate relevant ongoing work experience and provide workplace evidence to support the achievement of competence.

To study this course as a NSW apprentice or to check if you meet the non-apprentice requirements for NSW funding, please enquire now or call 131 601. For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

ADDITIONAL RESOURCES

You will need to provide for yourself the following resources which you will keep when you complete your study:

- There is a materials cost of \$320 per year for the projects you manufacture from the assessments that will be yours to take home on achieving competence.
