Course Description

This qualification reflects the role of employees working in supervisory positions in civil construction. They perform tasks involving a broad range of varied activities most of which are complex and non-routine. They are responsible for the quantity and quality of the output of others, contribute to the development of technical solutions to non-routine problems and apply management plans to the workplace.

Please note: licensing, legislative, regulatory and certification requirements that apply to this qualification can vary between states, territories, and industry sectors. Relevant information must be sourced prior to application of the qualification.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that

you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no formal entry requirements for this course. However, it is assumed that you have literacy, numeracy and technical skills at Certificate III level for success in this course. Contact your TAFE NSW campus if you have any questions about your suitability.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

- Working in the Civil Construction field

To successfully complete this course, you will need:

- To complete 12 units of competency

Information Sessions and more about the course

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

STUDY COMMITMENT

This is part time day course. You will need to attend approximately 1.8 hours of class, over 1 day a week, for 36 weeks. As well as the in-class component, you will need to complete approximately 6 hours of other study per week.

You may also be required to complete approximately 12.5 hours of additional study each week outside of class hours, including completing projects and video/photo evidence.

IS THIS COURSE RIGHT FOR YOU?

This course is designed for people who:

- Are currently working in a supervisory/leadership role or have been identified as potential supervisors and have access to the full range of work required to develop competencies in all aspects of the vocation as well as the full range of tools and equipment commonly used by skilled workers in that industry.

SERVICES AND STUDY SUPPORT

There are additional learning and study tools available for this course, including:

- Online support/contact with teacher through google classroom

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Mondays from 8.00am. This timetable may change and will be confirmed by your teacher.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

ADDITIONAL RESOURCES

- Students will be loaned a Google Chrome Book (tablet) which must be returned before any awards are released.
