Course Description

This qualification reflects the role of pharmacy assistants who use a defined and limited range of customer service skills. With basic product knowledge, they recommend and supply a limited range of products to customers and often refer enquiries to other team members. They are involved in mainly routine front of pharmacy tasks such as point-of-sale service, stock maintenance and display. They work under close supervision, with guidance from more experienced and senior pharmacy assistants and ultimately under the supervising pharmacist. Pharmacy assistants must comply with federal, state or territory law and Pharmacy Board of Australia Guidelines for supplying scheduled medicines. No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section. There are no entry requirements for this qualification.
