Course Description

This qualification reflects the roles of individuals delivering training and assessment services in the vocational education and training (VET) sector.

This qualification (or the skill sets derived from units of competency within it) is also suitable preparation for those engaged in the delivery of training and assessment of competence in a workplace context, as a component of a structured VET program.

The volume of learning of a Certificate IV in Training and Assessment is typically six months to two years.

Licensing/Regulatory Information

Achievement of this qualification by trainers is a requirement of the Standards for Registered Training Organisations (RTOs) 2015.

Fee Details

Depending on your previous qualifications and experience your fee may decrease from the maximum shown.

Payment by instalment may also be available. Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

Who is eligible?

Unqualified VET practitioners (trainers and assessors) seeking to obtain this qualification can enrol in the

full qualification under Smart and Skilled Targeted Priorities Full Qualification Program and be granted recognition of prior learning (RPL). This includes individuals who:

- Only hold the Assessor Skill Set but not the full qualification and are seeking to also become a qualified trainer
- Have a trainer and assessor qualification that does not meet the minimum qualification requirement under the standards that apply from 31 May 2019, e.g. TAA40104.

This training is subsidised by the NSW Government, and as a result your fee is determined through Training Services NSW formal eligibility criteria. This criteria will determine your exact fee. Students who meet additional specified criteria, may be eligible for a concession fee or a fee exemption. In claiming the concession or exemption students will be required to supply the required evidence to support the claim in accord with the requirements of Smart and Skilled eligibility.

Payment Plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

To activate your eligibility you must pay the student fee component PRIOR to commencement of the learning activity.

Information Sessions and more about the course

Connected Classroom is just like a regular classroom, but teachers and students use the latest video conferencing technologies. Your teacher can be in one TAFE location, and you can join the class from another TAFE location using video conferencing equipment or a suitable mobile device. You can also join in from a venue in a participating regional community. You will be able to see and talk to your teacher and other students as though they were in the room with you. You will also have access to support to meet

your learning needs.

This part-time course consists of two evenings, 8 hours per week plus 2 hours per week facilitated online sessions using Moodle/Adobe connect. You can expect to do an additional 8 hours per week of self-directed learning activities, which may include researching information relating to a unit, reviewing notes/learner guides and recordings, planning and organising assessments ready for submission within your workplace environment. Students can contact the trainer to organise additional tutorial support, this can be one to one, small group or in the learning/study centre.

To successfully complete this course you should:

Have technology skills to access and navigate the internet and be able to use word processing software

Have access to a laptop to bring to class each week

Be a self-directed learner in the context of a supportive online learning environment

Possess sound language and literacy skills

The expectation is that by enrolling in this qualification you commit to the time frame in which the qualification is being delivered. The proposed study schedule will be discussed and an individual learning plan will be established.

Attendance

Attendance is Tuesday and Thursday 5.00pm to 9.00pm for 36 weeks in room A1.26 by Connected Classroom at TAFE NSW Wagga Wagga plus facilitated online sessions.
