NATIONALLY RECOGNISED
TRAINING

■ **Blended, Full Time**
■ **Fully Subsidised**
Course

OVERVIEW

The nationally accredited Certificate II in Further Study skills is your opportunity to bridge the gaps in your previous education. You will strengthen the core skills needed in every occupation, learn strategies to manage your study time and gain the confidence to succeed in a formal learning environment.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

LEARN NEW SKILLS

Through theory and practical course work you will develop your skills in:

- Reading, writing, numeracy and digital literacy
- Effective study strategies to help you continue your education
- Math and science to prepare you for employment in trades or traineeships

DEVELOP YOUR TALENT

Develop the personal qualities that will help you get ahead in your future studies, including:

- Commitment and self motivation
- Collaboration and communication skills to work with a diverse range of people
- Ability to reflect and identify areas for improvement

ACHIEVE YOUR GOALS

Completing this qualification equips you with:

- Pathway into an apprenticeship or traineeship
- Confidence to pursue further studies in a formal learning environment

GROW YOUR CAREER

This qualification provides you with the study skills and confidence to take the next step in your studies or training in a career area of your choice.

INDUSTRY DEMAND

The course develops your skills for further study including problem solving, creativity, communication, teamwork, digital literacy, critical thinking and presentation skills. These skills are recognised by industry as vital to workplace performance.

There is a strong focus on STEM subjects (science, technology, engineering and math) to develop confidence in selecting further study options in fields where future employment growth is predicted.
