CAREER OPPORTUNITIES

This course will help you to develop some of the skills and knowledge you need to access work and training opportunities and participate in your community.

OVERVIEW

Reconnect with education and your community with the Vocational Community Engagement course. You will be supported and mentored to develop learning and thinking skills, plan future study and work goals, and gain confidence in communicating with others.

LEARN NEW SKILLS

Through theoretical and practical course work, you will learn:

- Writing and reading skills
- Foundation computer skills
- Top set personal and career goals
- Engage more with your community
- The community services available to you
- How to have discussions about issues
- How to work together with others

DEVELOP YOUR TALENT

Once you complete this qualification, you will have the skills to:

- Confidently look for work
- Participate in further learning
- Contribute positively to your community

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised Course in Vocational Community Engagement
- A plan to achieve your personal and career goals
- A strong foundation to continue your education

GROW YOUR CAREER

This course is a stepping-stone that can lead to further opportunities in:

- Foundation courses
- Certificate I or II courses

INDUSTRY DEMAND

Employers in Australia require their workers to have good communication skills on a professional and personal level. They also require staff to have basic technology skills. This course will allow you to gain these valuable skills and become employable across multiple industries.
