OVERVIEW

Would you like to enhance your performance in the workplace and boost your career opportunities?

Our nationally recognised Certificate IV in Enterprise and Career Skills will teach you the essential skills required to work in a diverse, highly technological environment.

You will learn how to:

- Operate within a budget framework
- Deliver and monitor services to customers
- Analyse and present research information
- Apply critical thinking to workplace problems

You will also learn how to create an employment and training pathway. For example, you may want to move from a retail assistant position into business entrepreneurship and will map out every study and career step you need to take to reach your ultimate goal.

Talk to us today about the study options available to you.
