QUALIFICATION

Certificate III in Sports Turf Management

CAREER AREA

Environment and Agriculture

TRAINING PACKAGE ENTRY REQUIREMENTS:

TAFE NSW offers the Certificate III in Sports Turf Management as an apprenticeship. There may also be options available for you to study as a non-apprentice.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the sports turf management industry evidenced by a letter from your employer
- Submit your training plan proposal (TPP) with your application

Non-apprenticeship

There may be options available for you to study as a non-apprentice. Enquire today and our Apprenticeship and Traineeship team will support you to understand any eligibility or entry requirements for our non-apprenticeship qualifications.

WORK PLACEMENT

There is no work placement requirement for apprentices taking this qualification, as you will gain your experience on-the-job with your employer.

Non-apprentices will need to be in either relevant employment or have access to appropriate simulated workplace environments to complete the learning and assessment requirements.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- Some knowledge of biological processes
- Basic computer skills to conduct research and use databases
- Good computer literacy
- Good numeracy and literacy skills
- A reasonable level of fitness to use wheelbarrows, do repetitive lifting and be on your feet for long periods

If you need help preparing for study, contact us about your options.

- **Apprenticeship Allowed**
- **Full Time, Part Time Day**

CAREER
OPPORTUNITIES

Greenkeeper
Track Maintainer

OVERVIEW

The nationally recognised Certificate III in Sports Turf Management gives you the skills you need to become a Greenkeeper or Track Maintainer. Learn from industry experts, develop your knowledge in specialist training facilities and cultivate a rewarding career in this specialist industry.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Establish and maintain turf
- Sample and test soil
- Construct sports turf surfaces
- Operate specialised machinery and equipment
- Manage weeds, plant pests, diseases and disorders
- Implement plant nutrition programs

DEVELOP YOUR TALENT

Develop the personal attributes that will help you get ahead:

- Ability to work as part of a team
- Good communication skills
- An understanding of the natural environment
- A working knowledge of biological processes
- Research skills
- Ability to work safely

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate III level
- A trade
- Skills and knowledge to start your own sole trader business

Career opportunities:

- Greenkeeper
- Track maintainer

GROW YOUR CAREER

Strengthen your knowledge with these higher level study options:

- Certificate IV in Horticulture
- Diploma of Horticulture
- Diploma of Landscape Design

INDUSTRY DEMAND

Demand for sports turf managers is growing as society places increasing emphasis on healthy living, sport and outdoor activities.

The NSW Government's policy to plan and develop more green space and urban parks to offset the effects of a warming climate has also led to an increase in the number of parks, gardens and playing fields being established and needing maintenance.
