CAREER
OPPORTUNITIES

Shearer -
professional level

OVERVIEW

Are you ready to shear at least 120 sheep per day? After completing the Certificate III in Shearing, you can work at a professional level in the shearing industry with a high level of workmanship.

Taught by experts with at least five years of industry experience, you will build on your skills and knowledge from previous training and/or experience and learn:

- Advanced techniques and skills for professional shearing
- Maintaining equipment
- Safe working practices
- Coordinating site activities

This highly practical course is perfect to complete on the job. Once you have completed this course, you can choose to go on to study the Certificate IV in Agriculture.

This course is available via flexible delivery options and allows for Australian traineeships.
