- Farm production manager
- Production unit manager
- Agronomist
- Station/property manager

GROW YOUR CAREER

Advance your career with this agriculture study pathway:

- Advanced Diploma of Agriculture
- Advanced Diploma of Agribusiness Management

INDUSTRY DEMAND

Agriculture, Forestry and Fishing employs approximately 326,200 persons (ABS trend data). Over the past five years, employment in the industry has increased by 1.5 per cent.

The Agriculture industry requires skilled people to contribute to developing more efficient methods of food and fibre production, as the demand to produce more with less land and water resources increases.
