## OVERVIEW

Are you a greenkeeper or curator? The nationally recognised Diploma of Sports Turf Management has been designed for those working in the industry who are ready to further their career.

You will learn how to:

- Plan the establishment of sports turf playing surfaces
- Develop and manage a chemical use strategy
- Monitor and manage soils for production
- Diagnose plant health problems

You will also be able to choose from elective units including drainage system design, project management and budget preparation.

Completion of the Diploma of Sports Turf Management will give you the confidence to oversee teams, facilities and major sporting fields in roles like these:

- Sports Turf Manager
- Senior Greenkeeper
- Turf Consultant
- Gold Course Superintendent
