QUALIFICATION

Certificate III in Agricultural Mechanical Technology

TRAINING PACKAGE ENTRY REQUIREMENTS:**ENTRY REQUIREMENTS**

TAFE NSW offers the Certificate III in Agricultural Mechanical Technology as an apprenticeship only.

To be eligible for this course, you must:

- Be employed as an apprentice in the agricultural automotive retail, service and repair industry as evidenced by a letter of support from your employer
- Submit your Training Plan Proposal (TPP) with your application

Enquire today to talk through your options.

WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

NATIONALLY RECOGNISED
TRAINING

- **Apprenticeship
Allowed**
- **On campus,
Combination**
- **Part Time**

OVERVIEW

The nationally recognised Certificate III in Agricultural Mechanical Technology equips you with the tools you need to become an agricultural mechanic. Learn to repair a range of agricultural machinery and system faults while working in workshops, or on properties and stations across Australia.

LEARN NEW SKILLS

Through a mix of theory and practical coursework, learn to:

- Confidently work with machinery such as heavy vehicles, mobile plant machinery and tractors
- Service, diagnose and repair a range of agricultural machinery
- Inspect engines and fuel injection systems
- Effectively communicate with clients and colleagues
- Use a variety of hand tools, power tools and electronic diagnostic equipment

DEVELOP YOUR TALENT

Develop the attributes to help you get ahead:

- An interest in machinery and mechanics
- The desire to support farmers and agriculture as an industry
- The ability to work under pressure especially during peak periods of the agricultural year (harvest, sowing, spraying)
- Problem-solving skills to assess a variety of issues
- A hard-working attitude

ACHIEVE YOUR GOALS

Completing this course provides you with:

- A nationally recognised qualification at Certificate III level
- The skills and knowledge to start your own mechanical repair business
- Strong pathways to continue your studies and enhance your career opportunities

Career opportunities:

- Agricultural mechanical technician
- Workshop foreman
- Broadacre workshop supervisor
- Sole trader repairer
- Farm machinery salesperson

GROW YOUR CAREER

Take your career further with the:

- Certificate III in Heavy Commercial Vehicle Mechanical Technology
- Certificate IV in Automotive Mechanical Diagnosis
