QUALIFICATION

Certificate III in Light Vehicle Mechanical Technology

CAREER AREA

Automotive

TRAINING PACKAGE ENTRY REQUIREMENTS:

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Light Vehicle Mechanical Technology as an apprenticeship. There may also be options available for you to study as a non-apprentice.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the motor vehicle industry evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

Non-apprenticeship

To be eligible for a subsidised place in this course as a non-apprentice, you must:

- Be over 21 years of age
- Provide evidence, such as a resume or letter of support from your employer, of significant and current industry experience. Your workplace evidence will be reviewed prior to course entry to make sure your skills and knowledge meet course requirements

If there are gaps in your industry experience, you will need to complete simulated work activities to ensure you are able to meet work evidence requirements.

WORK PLACEMENT

There is no work placement requirement for apprentices undertaking this qualification, as you will gain your experience on-the-job with your employer.

Non-apprentices will need to be in either relevant employment or have access to appropriate simulated workplace environments to complete the learning and assessment requirements.

- **Apprenticeship Allowed**
- **Blended, Full Time, Part Time, Part Time Day, Part Time Evening**

CAREER OPPORTUNITIES
