QUALIFICATION

Certificate III in Mobile Plant Technology

TRAINING PACKAGE ENTRY REQUIREMENTS:

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Mobile Plant Technology as an apprenticeship. There may also be options available for you to study as a non-apprentice.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice mobile plant technician evidenced by a letter of support from your employer
- Be a registered apprentice with an Australian Support Network (ANS) provider
- Submit your training plan proposal (TPP) with your application

Non-apprenticeship

There may be options available for you to study as a non-apprentice. Enquire today and our Apprenticeship and Traineeship team will support you to understand any eligibility or entry requirements for our non-apprenticeship qualifications.

WORK PLACEMENT

There is no work placement requirement for apprentices taking this qualification, as you will gain your experience on-the-job with your employer.

Non-apprentices will need to be in either relevant employment or have access to appropriate simulated workplace environments to complete the learning and assessment requirements.

You are responsible for arranging your own work placement. Our team can offer support and guidance to assist you.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- Completed year 10 of high school or its equivalent
- Satisfactory maths and English skills
- Good communication skills
- The ability to work in a team environment
- Commitment to complete formal training with TAFE NSW and informal, on-the-job training with your employer

If you need help preparing for study, contact us about your options.

NATIONALLY RECOGNISED
