CAREER

OPPORTUNITIES

OVERVIEW

This qualification reflects the role of those workers who are advanced practitioners in a health and/or community services context and who require a high level of knowledge and skills in case management in order to provide specialist services to clients with complex and diverse needs.

Workers at this level are required to demonstrate autonomy, well-developed judgement, adaptability and responsibility.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

ENROLLING IN FIRST AID UNITS OF COMPETENCY

If you are seeking to enrol in a First Aid unit of competency you are advised that to complete the unit you must be able to perform basic life support skills, for example control bleeding and perform cardiopulmonary resuscitation (CPR). If you have a disability that would prevent you from performing required basic life support skills you are advised that you will not be able to achieve the unit of competency.
