## COURSE CODE

CPC32413

## QUALIFICATION

Certificate III in Plumbing

## CAREER AREA

Building Trades

## TRAINING PACKAGE ENTRY REQUIREMENTS:

### ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Plumbing as an apprenticeship. There may also be options available for you to study as a non-apprentice.

#### Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the plumbing industry evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

#### Non-apprenticeship

There may be options available for you to study as a non-apprentice. Enquire today, and one of our Apprenticeship and Traineeship team will help you understand any eligibility or entry requirements that apply.

### COURSE SUCCESS REQUIREMENTS

During your study, you will need to meet specific requirements to complete your course work.

Your teacher will let you know when you need to provide evidence of:

- A general construction induction card (commonly known as a white card) - you will need this before you can enter a construction site

### WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

If you are enrolling as a non-apprentice, you need to be in relevant employment or have access to appropriate simulated workplace environments in order to meet the course completion requirements.

### LICENSING REQUIREMENTS

Occupational licenses are required if you want to work as a plumber. You will need to check the regulatory requirements with your local state and territory jurisdictions before commencing employment.

### IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, we recommend that you have:

- Good communication and teamworking skills

NATIONALLY RECOGNISED  
TRAINING

- **Apprenticeship Allowed**
- **On campus**
