## OVERVIEW

Would you like to create amazing costumes for the exciting and creative world of theatre, opera, film or TV?

The Diploma of Live Production and Technical Services (Costume for Performance) is a nationally recognised course that will provide you with skills covering all areas associated with costume making for film, stage or television.

You will learn the higher-level skills required for the realisation of complex and elaborate period, character and contemporary costumes for performance.

You will also gain a clear understanding of the employment structure within the costume-related industries and gain specialised theatrical knowledge and technical training in the area of costume and wardrobe services for film, television, stage and entertainment industries.

You will learn about:

- Costume research
- Pattern cutting and draping
- Corsetry and undergarments
- Costume fitting and construction

- Theatrical millinery
- Accessory design and construction
- Character costume making
- Interpreting design briefs
- Costume supervision and continuity
