OVERVIEW

Do you want a career in music but are not sure which road to take? The Diploma of Music Industry gives students a great overview of the music industry and a broad set of music industry skills. You will learn about music performance, recording, live production and music business.

You will also cover more advanced aspects of copyright, small business skills and how to express your ideas in team environments.

This real-world music diploma may also be your best path to a related degree course or a TAFE NSW Advanced Diploma. This is an excellent advanced course and produces industry-ready graduates.
