OVERVIEW

This course can lead to an exciting career in film, television, journalism, radio or the games industry.

The Diploma in Screen and Media is a nationally recognised course that offers a range of specialty units that can help you become a film and TV make-up and hair artist, or learn to become a master 3D animator. This digital-savvy diploma will give you specialist knowledge and hands-on experience.

You will learn a variety of skills across a range of screen and media technologies. And you will learn from industry experts which means the most up-to-date practices and policies are taught.

You will have a choice of study options that might include areas such as:

- Applying script language in authoring
- Carrying out television transmission operations
- Creating 3D digital animations
- Creating storyboards
- Editing dialogue and sound
- Preparing audio and video assets
- Writing content for a range of media

There are many versions of this Diploma of Screen and Media, most of which are specialised for the career you are passionate about, including:

- **FILM AND TELEVISION** for training on writing, directing, shooting and editing documentaries, short films, music videos, and/or feature length movies
- **RADIO BROADCASTING** will train you in a wide range of skills around presenting, interviewing running radio equipment, producing shows and more
- **JOURNALISM** will teach you to create text, video and audio, for modern journalism consumed online, on phones, on TV, on radio and in print
- **ANIMATION** may also include Interactive Media and can lead to study in the TAFE NSW professional, three-year Bachelor of 3D Art and Animation which prepares you for advanced roles in film, TV, games and more
- **GAME DEVELOPMENT** is the focus of one version of this course

Depending on which version of the course you study, you the Diploma of Screen and Media can qualify you for a range of roles including:

- Digital Media Artist
- 3D animator and rigger
- Game design
