OVERVIEW

This qualification is designed to provide a flexible general purpose pathway in the financial services industry. It is intended for individuals with job roles that involve working across a range of duties in the financial services sector where a specialist qualification is not the most suitable qualification. Individuals in these roles apply theoretical and technical knowledge and skills to work autonomously and exercise judgement in completing routine and non-routine activities.

Graduates at this level will have theoretical and practical knowledge and skills for specialised and/or skilled work and/or further learning.

Licensing/Regulatory Information

Work functions in the occupational areas where this qualification is used may be subject to regulatory requirements. Refer to the relevant regulator for specific guidance on requirements or discuss with your teacher.
