OVERVIEW

Are you ready to begin a career in banking? The Certificate IV in Banking Services will help you to start your career, improve your existing role or simply improve your skills within the banking or financial services industry.

This course will provide you with skills in customer service and business technology. You will develop an in-depth knowledge of the financial products and services used within the banking industry, learn how to apply the principles of professional practice to work in the financial services industry, and will develop the confidence and ability to work with professionalism in a financial services role.

Upon successful completion of the Certificate IV in Banking Services, you will be qualified to work in a Bank, Customer Contact Centre or Retail Financial Services environment.
