TRAINING PACKAGE ENTRY REQUIREMENTS:

There are no entry requirements for this qualification

**OVERVIEW**

This qualification is designed to provide a general purpose pathway into the financial services industries. It is also intended to provide an effective development option for those candidates for whom the specialist qualification pathways in the Financial Services Training Package are not yet appropriate. Individuals in these roles apply solutions to a range of often complex problems, and analyse and evaluate information from a variety of sources. They apply initiative to plan, coordinate and evaluate their own work and provide guidance to others or teams within defined guidelines.

Licensing/Regulatory Information

No licensing or certification requirements apply to this qualification at the time of publication. However, some units will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit. Refer to the FNS Implementation Guide Companion Volume for guidance on requirements.
