Further information please check the [TAFE NSW International Australia website](#) for details on fees and enrolment processes for international students.

**OVERVIEW**

The Bachelor of Applied Commerce is a three year degree that prepares graduates for employment in the financial services sector. The course has been designed with input from the financial services industry ensuring that students are well placed to find jobs after graduation. You can choose either a financial planning major, an accounting major, or a double major. Subjects in management, marketing, law, economics and business statistics are included in both majors to ensure you have the full range of knowledge and skills required to work effectively in the fast paced and growing financial services industry.

this course requires 24 subjects for completion with full-time students typically enrolling in 4 subjects per semester.

**■ On campus****■ Full Time****CAREER  
OPPORTUNITIES**

On successful completion of this course, you will be qualified to work in a wide range of roles in the financial services sector, specifically in financial planning roles.

On completion of the Bachelor of Applied Commerce, graduates will be eligible to apply for membership with CPA, CA ANZ, TPB and FPA. The financial planning major meets the new FASEA education requirements.

Further information about this course is available on the [TAFE NSW Degrees website](#)
