■ Fee Help available**CAREER
OPPORTUNITIES**

On successful completion of this course, you will be qualified to work in a wide range of roles in the accounting and financial services sector.

OVERVIEW

The Bachelor of Applied Commerce is a three year degree that prepares graduates for employment in the financial services sector. The course has been designed with input from the financial services industry ensuring that students are well placed to find jobs after graduation. You can choose either an accounting major, a financial planning major, or a double major.

Subjects in management, marketing, law, economics and business statistics are included in both majors to ensure you have the full range of knowledge and skills required to work effectively in the financial services industry. On completion of the Bachelor of Applied Commerce, graduates will be eligible to apply for membership with

CPA, CA ANZ, TPB and FPA. The financial planning major meets the new FASEA Education requirements.
