QUALIFICATION

Diploma of Nursing

CAREER AREA

Aged Care and Nursing

TRAINING PACKAGE ENTRY REQUIREMENTS:**ENTRY REQUIREMENTS**

There are 4 steps to apply for entry to this course:

- Submit an application form. Enquire now to receive your application form.
- Complete a language, literacy and numeracy (LLN) assessment. To continue to the next stage, you must achieve an English language result of Level 3 or above.
- In addition to the LLN assessment, to register with the Australian Health Practitioner Regulation Agency (AHPRA) as an Enrolled Nurse, you must meet the Nursing and Midwifery Board of Australia's (NMBA) English language requirements **before** you enrol with TAFE NSW. You must meet the NMBAs English language skills registration standard by providing evidence and declaring that English is your primary language or providing a valid ELS test result.
- Attend an interview and provide evidence that you have completed Year 12 of high school or a Certificate III qualification or its equivalent.

COURSE SUCCESS REQUIREMENTS

During your study, you need to meet specific requirements to complete your course.

For the Diploma of Nursing, you must be at least 18 years old for your first work placement. You also need to provide evidence of your:

- Working with Children Check
- Criminal History Check
- Vaccination and health screenings
- Anything else your work placement provider needs

Your teacher will let you know when this is required.

If your work placement is with NSW Health you will also need to:

- Sign the NSW Health Code of Conduct and any other forms
- Complete mandatory online modules
- Take an occupational assessment and provide your health care worker/student vaccination record

- **VET Student Loans Available**
- **Full Time, FT Connected**

CAREER OPPORTUNITIES

Enrolled nurses can work in general or specialised health care facilities including acute (hospital), care, medical centres, community, mental health, rural and remote, aged care and palliative care.

OVERVIEW

Make a difference as an enrolled nurse in a skills shortage area, with the nationally accredited Diploma of Nursing. You will train in anatomy and physiology, infection control and medication administration and be ready to work in a range of health care settings including acute, aged care, rehabilitation and mental health.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

LEARN NEW SKILLS

Through theory and work placement, you will learn to:

- Care for a person with complex needs
- Effectively communicate with patients and colleagues
- Implement, monitor and evaluate nursing care plans
- Tend and manage wounds in the clinical environment
- Work within legal and ethical parameters

DEVELOP YOUR TALENT

Develop the qualities needed to get ahead in this career:

- High levels of professionalism and integrity
- Advanced communication
- Practical problem solving

ACHIEVE YOUR GOALS

Completing this course will equip you with:

- A nationally recognised Diploma qualification
- Eligibility to apply for NMBA approval and AHPRA registration that enables you to work across Australia as an enrolled nurse

You can go on to support the lives of people in need in:

- Acute nursing
- Aged care nursing
- Rehabilitation nursing
- Mental health nursing

GROW YOUR CAREER

Take your career further and become a Registered nurse with further study.

Degree pathway:

- Bachelor of Nursing

INDUSTRY DEMAND

Employment of enrolled nurses in New South Wales is forecast to increase by around 13.5% between now and 2025. Currently, employers are struggling to find enrolled nurses as our ageing population is driving the demand for health care services and professionals.
