<b>QUALIFICATION</b>
Certificate II in Aircraft Line Maintenance
<b>CAREER AREA</b>
Aviation and Aerospace
<b>TRAINING PACKAGE ENTRY REQUIREMENTS:</b>
There are no entry requirements for this qualification

### ■ Part Time

### CAREER OPPORTUNITIES

Employment with civilian or military airlines and other operators of piston, jet and turbo-propeller aircraft and helicopters

## OVERVIEW

Launch your career in aviation with a nationally recognised qualification from TAFE NSW.

This is a fully government-subsidised JobTrainer course. Eligibility criteria applies.

Our Certificate II in Aircraft Line Maintenance ensures that you are equipped with the skills and knowledge to successfully perform a range of specified aircraft maintenance tasks. Graduates are also qualified to release the aircraft to service once the required maintenance tasks have been completed.

This course is for employees of airlines and other operators of piston, jet and turbo-propeller aircraft and helicopters who are required to hold a Civil Aviation Safety Authority (CASA) licence.

Plus, you have the opportunity to achieve credits towards the pursuit of higher level aeroskills certificates, such as TAFE NSW Diploma of Aeroskills (Mechanical) (MEA50218) which is required for the grant of a CASA B1 Licence.

Whether you choose to work in civilian or military aviation, your skills will be in demand.

Talk to us today about the study options available to you.
