QUALIFICATION

Certificate III in Engineering - Technical

TRAINING PACKAGE ENTRY REQUIREMENTS:**ENTRY REQUIREMENTS**

There are no entry requirements for this course. You can enrol now.

Traineeship

TAFE NSW also offers the Certificate III in Engineering - Technical as a traineeship. To be eligible to enrol in the course as a trainee you must:

- Be employed in the engineering industry as this course is delivered in the workplace
- Have a signed traineeship contract

Thinking about a traineeship? Enquire today.

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, we recommend that you have:

- Completed Year 10 of high school and achieved good grades in Maths and English studies
- An interest in engineering design, principles and concepts
- Enthusiasm for practical skills in engineering and related areas
- An aptitude for mechanical processes

If you need help preparing for study, contact us about your options.

NATIONALLY RECOGNISED
TRAINING

- **Traineeship Allowed**
- **Combination**
- **Part Time, Variable**

**CAREER
OPPORTUNITIES**

Engineering
Technician at level
C9 under the Metal,
Engineering and
Associated
Industries Award.

OVERVIEW

The nationally accredited Certificate III in Engineering - Technical is your first step into a career in the world of engineering. You will learn the underpinning principles of engineering design in a range of specialist areas, and become prepared for further study or a trade apprenticeship.

LEARN NEW SKILLS

Through a mix of theory and practical course work, learn to:

- Organise and communicate information
- Interact with computing technology
- Participate in environmentally sustainable work practices

DEVELOP YOUR TALENT

Develop the attributes to help you get ahead:

- Strengthen your mechanical aptitude
- Fire up your passion for engineering design
- Enhance your communication skills

ACHIEVE YOUR GOALS

Completing this course provides you with:

- A nationally recognised qualification at Certificate III level
- Opportunities to secure an apprenticeship or traineeship in engineering
- A strong technical foundation to build on with continued specialist studies

Career Opportunities:

- Mechanical Engineering Draftsperson
- Mechanical Engineering Technician

GROW YOUR CAREER

Take your learning to the next level with a TAFE NSW engineering study pathway:

- Certificate IV in Engineering Drafting
- Diploma in Engineering - Technical (Mechanical)
- Advanced Diploma in Engineering (Mechanical)
