QUALIFICATION

Certificate III in Glass and Glazing

CAREER AREA

Building Trades

TRAINING PACKAGE ENTRY REQUIREMENTS:

TRAINING PACKAGE REQUIREMENTS

There are no Training Package entry requirements for this qualification.

TAFE NSW REQUIREMENTS

TAFE NSW offers the Certificate III in Glass and Glazing (specialising in Glazing) as either an apprenticeship or non-apprenticeship so you can create the career you want. Depending on the course you choose and the campus you want to study at you will need to provide evidence that you meet all relevant entry criteria.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice glazier evidenced by a letter of support from your employer
- Submit your training plan proposal (TPP) with your application

Non-apprenticeship

To be eligible for this course, you must:

- Be over 21 years of age
- Provide evidence of significant and current industry experience. Your workplace evidence will be reviewed prior to course entry to make sure your skills and knowledge meet course requirements
- If there are gaps in your industry experience, you will need to do simulated work activities to ensure work evidence requirements are met

LICENSING REQUIREMENTS

This is a licensed occupation. When you successfully complete the Certificate III in Glass and Glazing (specialising in Glazing) you can apply for licensing with NSW Fair Trading.

You must have a license before you do any residential building work in NSW, including glazing, which is valued at more than \$5000 (including GST) in labour and materials.

NSW Fair Trading is the licensing and regulatory authority for trades and contractor authorities in NSW. Further information can be found on their website.

- **Apprenticeship Allowed**
- **On campus, Combination**
- **Part Time**

OVERVIEW

The nationally recognised Certificate III in Glass and Glazing (specialising in Glazing) will equip you with the specialist skills to become a trade qualified glazier. Launch your own

business and be in-demand as a highly skilled glazier on exciting residential, commercial and large-scale infrastructure projects.

LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Cut glass by hand
- Process glass using machinery
- Select glass and glazing materials
- Use techniques unique to the glass and glazing trade
- Install products
- Fabricate and assemble residential windows, doors, frames and security screens
- Use hand and power tools

DEVELOP YOUR TALENT

Develop the personal attributes that will help you get ahead:

- Effective communication skills
- An aptitude for practical skills
- Attention to detail
- Self-motivation and a good work ethic
- Creative thinking and problem solving

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised trade qualification at Certificate III level
- Eligibility to apply for a glazier licence
- First aid certification
- Skills and knowledge to start your own sole trader business

Career opportunities:

- Licensed glazier
- Flat glass worker
- Stained glass and leadlight assistant

GROW YOUR CAREER

If you are keen to start your own business consider complementing your glass and glazing knowledge with the:

- Certificate IV in New Small Business

INDUSTRY DEMAND

According to the Australian Government Job Outlook site, there are likely to be around 6,000 job openings in the next 5 years for qualified glaziers. This demand is led by the construction industry with infrastructure activity expected to grow to \$68 billion in 2020-21.
