QUALIFICATION

Certificate III in Cabinet Making

CAREER AREA

Engineering

TRAINING PACKAGE ENTRY REQUIREMENTS:

ENTRY REQUIREMENTS

TAFE NSW offers the Certificate III in Cabinet Making (Kitchen and Bathroom) as an apprenticeship. There may also be options available for you to study as a non-apprentice.

To be eligible for this course, you need to demonstrate the following:

- That you hold a valid general construction induction card (commonly known as a white card)

Apprenticeship

In addition to meeting the above requirement, apprentices must:

- Be employed as an apprentice in the cabinet making industry as evidenced by a letter of support from your employer
- Submit your Training Plan Proposal (TPP) with your application

Non-apprenticeship

There may be options for you to study as a non-apprentice. Enquire today and one of our Apprenticeship and Traineeship team will help you understand any eligibility or entry requirements.

COURSE SUCCESS REQUIREMENTS

During your study, you will need to meet specific requirements necessary for you to complete your coursework.

Your teacher will let you know when you need to provide evidence of:

- A general construction induction card (commonly known as a white card) you will need this before you can enter a construction site

WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

If you are enrolling as a non-apprentice, you need to be in relevant employment or have access to appropriate simulated workplace environments in order to meet the course completion requirements.

NATIONALLY RECOGNISED
TRAINING
