Manufacturer**

## OVERVIEW

The MSM31115 Certificate III in Recreational Vehicle Manufacturing has been developed as a trade-level qualification. People with this qualification would be expected to work under supervision manufacturing recreational vehicles, including:

motor homes

caravans

camper trailers

slide-ons

fifth wheelers

to meet Australian requirements, such as road worthiness and the Australian Design Rule (ADR).

They may work in a large manufacturing organisation or a smaller workshop.

There are no specific licenses that relate to this qualification. However, some units in this qualification may have licensing or regulatory requirements depending on the work context. Local regulations should be checked for details. Contact TAFE NSW if you need assistance.
