OVERVIEW

This qualification allows for the attainment of competencies required for independent and self-directed work in the public sector. There may be supervisory responsibilities.

This generalist qualification is particularly suited to those working in an environment where there are a range of responsibilities which are diverse in nature rather than within a narrow specialisation and/or who work in small or regionally based organisations. Chosen elective units should reflect the responsibilities of the individual.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
