OVERVIEW

This qualification reflects the role of group and gym fitness instructors. These fitness instructors may plan and deliver group exercise sessions and develop gym-based programs for individuals where the level of personalised instruction and ongoing client monitoring is limited. They work in predictable environments under general supervision. When instructing groups or interacting with clients, they use discretion and judgment to solve routine issues within the parameters of clearly defined organisational policies and procedures.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.
