QUALIFICATION

Certificate III in Security Equipment

TRAINING PACKAGE ENTRY REQUIREMENTS:

TAFE NSW offers the Certificate III in Security Equipment as an apprenticeship. There may also be options available for you to study as a non-apprentice.

Apprenticeship

To be eligible for this course, you must:

- Be employed as an apprentice in the security industry as evidenced by a letter of support from your employer
- Submit your Training Plan Proposal (TPP) with your application

Non-apprenticeship

There may be options available for you to study as a non-apprentice. Enquire today and one of our Apprenticeship and Traineeship team will help you understand any eligibility or entry requirements.

WORK PLACEMENT

There is no work placement requirement for this qualification. As an apprentice, you will gain your experience on-the-job with your employer.

If you are enrolling as a non-apprentice, you need to be in relevant employment or have access to appropriate simulated workplace environments in order to meet the course completion requirements.

**■ Apprenticeship
Allowed****■ On campus****■ Part Time****CAREER****OPPORTUNITIES****Electronic equipment
tradesperson/security
installer.****OVERVIEW**
